YOUTH MINISTRY

OUR MINISTRY

We want to see students grow into disciples of Jesus by forming authentic relationships with their peers, parents, youth workers, and God, by creating safe environments where students can:

1

CONNECT WITH OTHERS

These environments are designed to allow students to develop authentic friendships.

2

COME TO KNOW GOD

These environments are designed to allow students to hear and respond to the Gospel.

3

GROW IN YOUR FAITH

These environments are designed to allow students to dive deeper in their walk with Jesus.

4

GO OUT AND SERVE

These environments are designed to allow students to use their gifts in ministry.

Ask Moises about serving at an event or a future service project.

We are excited and passionate about serving students and their families. If you have questions about our program, or if there is anything we can do to minister to your family, please contact Moises at moises@cedarrun.net.

GROWING IN FAITH

SUNDAY MORNING TEACHING | A GUIDE FOR PARENTS

Throughout this year, we will explore God's Word together, ask difficult questions, strengthen our faith, and learn how to apply biblical truth to everyday life. We encourage parents to use this guide as a conversation starter at home and to ask students what they are learning each week.

Life in Community

This series will help teenagers understand the power of community and its connection to authentic faith. The goal is to build meaningful connections, deepen faith, and help students become committed disciples of Jesus.

GOAT

This series from the book of Matthew helps teenagers see how Jesus is the GOAT (Greatest of All Time) and challenges them to live out three of His greatest teachings.

HABITS: Running the Race

In 1 Corinthians 9:24-27, we are called to run to win! But how do we do that? By building strong habits in our lives: spiritual disciplines that help us run the race of faith.

Masks

This series explores the masks we wear that hide our God-given identity. Students will examine the masks that hold them back from freedom in Christ and from living out the identity He has given them.

Apologetics: 3 Difficult Questions Answered

This series tackles common faith questions head-on. Through sound biblical answers, students will build a solid foundation for their faith and become better equipped to share it with others.

KEEP THE CONVERSATION GOING

What did you learn? What questions do you have? How can we live this out?

Cedar Run Community Church

OPEN THE WORD

SUNDAY AFTERNOON BIBLE STUDY | 12:30-2 PM | LUNCH PROVIDED

Our Sunday afternoon study will teach biblical interpretation and hermeneutics: how to study, understand, and faithfully apply the Bible for ourselves. Students will learn to examine a passage, ask good questions, and explain why it means what it means.

UNDERSTANDING CONTEXT

Read Scripture in its time, place, culture, and literary setting. Explore Creation and the biblical storyline, word meanings, grammar, genres, comparisons, imagery, typology, symbols, numbers, promises, and progressive revelation.

USING BIBLE-STUDY TOOLS

Practice using cross-references, concordances, Bible dictionaries, maps, timelines, multiple translations, Hebrew and Greek study tools, and commentaries. Compare passages, trace a topic from its first mention, and investigate apparent contradictions.

APPLYING SCRIPTURE FAITHFULLY

Learn what a passage says and means before asking how it applies today. Students will connect biblical truth to everyday choices without pulling a verse out of context.

A SIMPLE PROCESS FOR EVERY PASSAGE

OBSERVATION

What does the text say?

INTERPRETATION

What does the text mean?

APPLICATION

How should this truth affect my life?

HANDS-ON STUDY. LIFELONG CONFIDENCE.

Bring your Bible! Students will work through passages together, practice using study tools, and complete exercises in their own workbook. Over time, they will gain the confidence to begin studying an unfamiliar passage for themselves.

"Don't just read the Bible. Learn to handle it well."

Cedar Run Community Church

THE JOURNEY OF MOSES

WEDNESDAY BIBLE STUDY | 6:30-8 PM | USING HEY316

On Wednesday nights, we will take a deep look at the journey of Moses, using Hey316 alongside our Bibles. We will cover three messages per week, exploring the people, events, and details of the biblical story together.

3 MESSAGES PER WEEK

Read the Scripture. Explore the story. Discuss what we learn.

WHAT IS HEY316?

Hey316 is an interactive Bible-learning website that presents the story through message-style conversations with biblical characters. Images, activities, and devotionals help students engage with the story and reflect on what they are learning.

The conversations are prewritten, imagined dialogue based on Scripture, not live AI chats. We will use them as a learning aid while returning to the Bible itself to study what God's Word says.

HOW TO SIGN UP

- 1 Visit hey316.com and choose Create account. If the sign-in screen appears, choose Create an account.
- 2 Enter your email address, choose a username, and create and confirm a password with at least 12 characters.
- 3 Open the verification email and follow its link to confirm your address. Check Spam or Junk if it does not arrive.
- 4 Return to Hey316 and sign in. Open The Journey of Moses and follow the three messages assigned for the week.

KEEP LEARNING TOGETHER AT HOME

Parents are encouraged to help students get started, explore the messages together, and ask: What did you notice in the Bible passage? What did you learn about God? How can you respond to His Word this week?

REGISTRATION OPENS

January 15, 2027

In a world full of conflicting stories... which one is true?

This week, students will explore God as the Author of truth, see how His truth is revealed in Jesus, and discover how His story gives us identity, purpose, and hope. Each day's teaching invites students to know, trust, and live out God's truth.

DAY ONE | TRUTH ESTABLISHED

God is the Creator and Author of truth. Students will explore creation, the fall, and how God's truth provides a foundation for identity and faith in Christ.

DAY TWO | TRUTH CHALLENGED

Through Elijah's encounter with the prophets of Baal, students will consider competing voices and learn to stand firmly in God's truth.

DAY THREE | TRUTH REVEALED

Students will see God's truth revealed in Jesus' life, death, and resurrection, and learn how the Holy Spirit guides believers in truth.

DAY FOUR | TRUTH ADORED

The early church treasured and proclaimed the gospel. Students will consider how to love God's truth and share it with others.

AFTER CAMP | TRUTH UNRIVALED

The promise of Christ's return and renewed creation offers lasting hope, shaping how we face struggles and live faithfully today.
